

RELEASE NOTES

APRIL 2025

Thank you for taking a moment to review the latest WorkMax release notes.

If you have any questions during the update process, you can contact the WorkMax Support Team at (844) 967-5629.

CONNECTMAX 2.3.0

ENHANCEMENTS

The following items have been updated:

- Added the option to export [IN/OUT] time stamp without a punctuation in the formatting.

SOFTWARE MAINTENANCE

The following items have been fixed:

- Improved the performance speed and closing ability of the program.
- Fixed an issue where all date cells weren't populating when consolidating.
