

## RELEASE NOTES

### JULY 2025

Thank you for taking a moment to review the latest WorkMax release notes.

If you have any questions during the update process, you can contact the WorkMax Support Team at (844) 967-5629.

---

## CONNECTMAX 2.4.0

### SOFTWARE MAINTENANCE

---

#### **The following items have been fixed:**

- When attempting to update ConnectMax, the updater was directing clients to the incorrect WorkMax site, <http://www.workmax.com> rather than the secure version <https://www.workmax.com>.
- The ConnectMax Job List *Status* field was not pulling inactive jobs.
- ConnectMax was not validating employee emails.
